

The 13th International Turfgrass
Research Conference

13th ITRC Technical Tour Information Sheet

Tuckahoe Turf Farms, Inc.

Tuckahoe Turf Farms, Inc. (<http://tffarms.aitrk.com/>) is a family owned 800 acre sod farm in Hammonton, NJ, located in the heart of the New Jersey pinelands on sandy well-drained soils. Tuckahoe Turf specializes in high quality tall fescue and Kentucky bluegrass sod, with smaller quantities of warm-season grasses. Tuckahoe Turf has installed sod in thousands of parks, football & baseball stadiums, soccer fields, universities, training facilities, and municipal fields throughout the country. The tour discussion will include an overview of production and harvesting procedures, as well as a discussion of how Tuckahoe Turf Farms specializes in the production of high quality athletic field/sports turf sod.
